R-2 iPad Apps at PPS – August 2014

Plympton PRIMARY SCHOOL

**Reception- Year 2**   **Focus:** Educational apps   **Type:** iPad Mini

Aim: Students use a range of English and Mathematics apps to practise basic sight words and numbers to 100.

The list below contains the iPad apps currently being used by the Year Reception to 2 teachers at Plympton PS. If you currently have an iPad at home or are considering purchasing one for your child you may wish to consider installing these apps. Most of the apps are free, with the option to upgrade for a small cost. The Jolly Phonics app *(currently $6.49)* will be beneficial for supporting your child with our Reception – Year 2 Jolly Phonics program.

If you have any questions regarding the use of iPads at Plympton PS, please feel free to contact the school.

Year 3-7 iPad Apps at PPS – August 2014

Plympton PRIMARY SCHOOL

Years 3-7   **Focus:** Productivity apps   **Type:** 4th Generation iPad

Aim: Students create and record their projects using a combination of apps

The list below contains the main iPad apps currently being used by the Year 3 to 7 teachers at Plympton PS. If you currently have an iPad at home or are considering purchasing one for your child you may wish to consider installing these apps. Most of the apps are free to download and will support your child's teaching and learning, however they do have the option to upgrade for a small cost.

Please note new iPads now come with Pages, Numbers, Keynote and iMovie as part of the iPad package and do not need to be purchased separately.

If you have any questions regarding the use of iPads at Plympton PS, please feel free to contact the school.
